Doorplate

Datasheet

Product Introduction

This Doorplate sign centers on "high aesthetics + strong practicality", boasting both decorative and functional qualities. It is crafted from high-grade stainless steel, which not only gives it an exceptional texture but also enables it to withstand wear and tear from long-term use, ensuring sturdiness and durability. Coupled with a white backlight design, the status indication is clear and eye-catching, making it easy to recognize even in dimly lit environments.

Features

- Backlight design for clear indication
- Stainless steel material, sturdy and durable

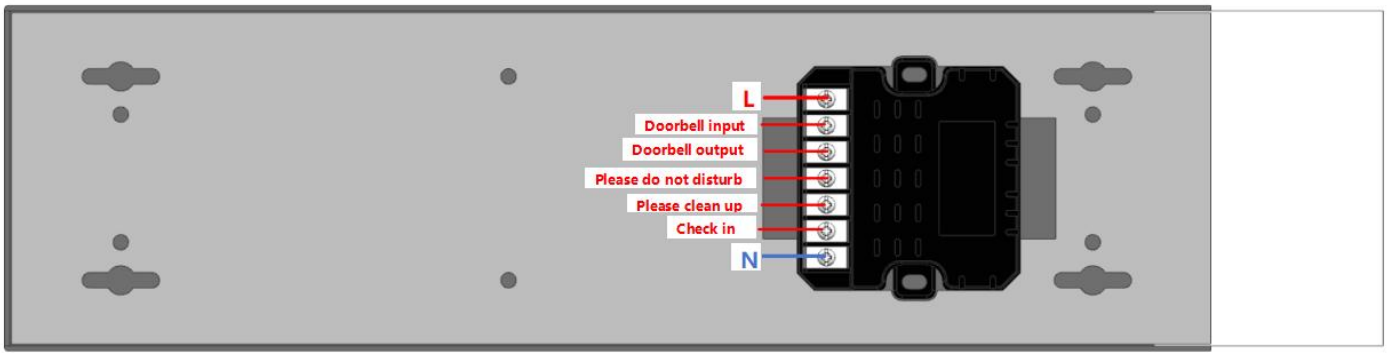

Specification

- Product Model：EDP01
- Input Voltage：DC 12V
- Service life：⩾100,000 operations
- Product Size：400×102×41mm
- Working Temperature：-20℃~70℃
- Working Humidity：0~95%
